

Sensory processing: universal strategies to support children and young people with autism

Fosse Way School,
Longfellow Road,
Radstock BA3 3AL

Free to professionals working
in B&NES—£50 to others

Wednesday, May 18th—9.30am to noon

This course aims to support settings to implement effective strategies to support autistic students with sensory processing differences.

You will explore how to understand children's sensory behaviours and recognise the impact sensory processing has on a child's learning.
